FIELD TRIP & GROUP RESERVATION AGREEMENT

This Field Trip & Group Reservation Agreement ("Agreement") is entered into by and between Dig It Torrance ("Facility") and the organizing school, organization, or group listed above ("Group").

Facility Rules & Policies

To ensure the safety, cleanliness, and enjoyment of all guests, the Group agrees to strictly adhere to the following facility rules:

Waiver & Permission Slip Policy

A completed Dig It Field Trip permission slip/waiver is strictly required for every attending child. Children who do not have a signed permission slip/waiver will not be permitted to enter the facility or participate in any activities.

Shoe-Free & Socks Policy

The Facility is a strict shoe-free space for all participants, including children, teachers, chaperones, and parents.

Children's Socks: Grip socks are required for all children and are included in the field trip pricing.

Adult Socks: Adults/chaperones are required to wear regular socks while in the facility. If an adult does not bring regular socks, they must purchase a pair from the front desk prior to entering the play areas. Bare feet are strictly prohibited.

Equipment Restrictions

Adults/chaperones are strictly prohibited from sitting on the excavators. These features are structurally engineered exclusively for children.

Supervision & Chaperone Ratios

The Group is solely responsible for maintaining its required adult-to-child ratios throughout the entire duration of the visit.

Chaperones must actively supervise the children in their care at all times. Facility staff are present to monitor equipment safety, but they do not replace the supervision of Group chaperones.

Food and Beverage Policy

All food, snacks, and drinks must remain strictly inside the designated party room or lunch space. No food or beverages are permitted in the general play areas or on the facility floor at any time.

Acknowledgement & Authorization

- ☐ By checking the box, the authorized representative acknowledges that they have read, understood, and agree to enforce the rules and policies outlined in this Agreement with all coordinators, chaperones, and participants in their group.
